Your tax deductible donation to Union Street Gallery, a not-for-profit 501(c)3 arts organization, will help support the gallery, keep exhibits free and open to the public, and help fund our art education programming.

ABOUT | Union Street Gallery is a 501(c)3 art gallery and studio artist collaborative, founded in 1995. The gallery hosts art exhibits featuring both local and national artists, education programming, professional opportunities for local artists, and a variety of events that promote other art forms such as music and poetry. Most exhibits and events are free and open to everyone.

MISSION | Union Street Gallery fosters creative expression and appreciation for the arts through diverse and engaging exhibits; accessibility to open studios and a working artist collective; art education programming; and community outreach activities, in order to provide a positive and sustainable arts and culture presence in the Chicago southland.
